ITALIANO INSPIRATION

It all began with the opening of Hill Country Pasta House in 1991 ... even in its humble beginnings, the Pasta House offered inspired cuisine — fusing Italian flavors with the kick of Mexican spice, in a warm atmosphere. In late 2003, its new owners decided to continue and further this tradition with a renewed focus on quality, an updated decor and a beautiful venue in the midst of an organic garden, the Hill Country Garden Pavilion. Today's Pasta House offers Old World Service with a keen eye on Today's Healthy Cuisine, and its fast-casual offspring, Pronto Italiano, reflects these traditions with a nod to the busy folks who want to eat healthy, but fast.
